Natascha Barrett
Head Teacher

26/4/23

Dear Squirrels families,

We will be saying a sad goodbye to Cat Hopkins who has been class teacher in Squirrels since January. Cat is moving on to a new job opportunity and we wish her all the best.

Kate Morris, who is current acting deputy head, will be taking over as class teacher on Thursday and Friday's. Kate spends lots of time in Nursery school and many of you and your children will know her already. She is very excited to be taking over as class teacher and is looking forward to getting to know you and your child.

Caron Bedford, will be taking over as key person for yellow group. Caron has been supporting yellow group this year and has built fantastic relationships with the children.

If you have any questions please get in touch with a member of the leadership team.

Kind regards,

Natascha Barratt

Head Teacher
