

## What is the Parent Forum?

The Parent Forum is a partnership between parents and nursery.

It is an informal space to have your voice heard.

It is a valuable way for you to share ideas, views, concerns, ask questions to find out more about nursery and make suggestions for improvement.

## The aims of the Parent Forum will be to:

- Meet in a safe and supportive place
- Work in partnership together
- Have your voice heard
- Work together to improve the education provided for our children
- Share information, knowledge and skills
- Further improve communications between parent/carers and staff/governors

## Why should I be part of the parent forum?

This is your nursery. You can make a difference. It gives you an opportunity to get together with other parents to have your say on what the school is doing well, and suggest ideas of how things could be improved.

There will be opportunities to learn more about learning in the nursery and family support services too.

## Who can be part of the parent forum?

Any parent/ carer is welcome to join. The forum will be chaired by Cate, the headteacher alongside least one parent representative from each room and Family Support Navigator, Liam and Di. Other staff members may also join the meetings depending on the focus.
